## Use + Maintenance Summary

Our team of professionals recommend:

- 24 hours to walk on and to return items
- 24 hours before closing Garage door entirely to ground
- 48 hours to drive on

You may clean our concrete coatings with typical sweeping, mopping, steaming, hosing and power washing.

### CAN/DO:

- Use soap and water
- Use CLR for light stains and grease
- Use Sunnyside Acetone for tough stains {apply on a rag or mop pad and wipe, do not let it soak}
- Use Simple Green
- Enjoy your beautiful and durable new concrete floors

### DON'T:

- Use wax
- Use any abrasive solution containing bleach, hydrochloric acid, citric acid or other highly corrosive material

Please feel free to leave us a review on Facebook, LinkedIn or Google  
on your experience with us,

Thank you for choosing Premier Concrete Coatings!
